

Joint Statement for fully supports the convening of the third parliament by our labor forces

4th February 2021

1. We, workers, as one of the Burma's main class actively participated in the November 8 2020 multi-party democratic general election.
2. Parliament members who elected in that election did the action to convene the parliament on 2nd February 2021.
3. A State Counselor Daw Aung San Su Kyi, including President U Win Myint and others were detained in raids by Military Government on 1st February 2021.
4. Military officials blocked the process of convening a calling of third parliament in accordance with the constitution of the members of parliament who elected by people.
5. The backward movement of the military's democratization has led to preparations for the resumption of international sanctions on Burma. As a result, millions of workers in various industries are facing job losses and social crises.
6. 70 elected Pyidaungsu *Hluttaw* representatives announced that they convened the Hluttaw at the Nay Pyi Taw Municipal Guest House on 4th February 2021. The Hluttaw representatives signed a pledge to "fulfill their public duties" on the first day of the Hluttaw.
7. We, as labor force, declare our strong support for the convening and pledging of these representatives of Parliament.
